

VICKY RAJ

Computer Science and Data Analytics Student

A motivated Computer Science and Data Analytics student at IIT Patna, eager to learn and apply data-driven solutions. Interested in data analytics, full-stack web development, and emerging technologies. Skilled in Python, Web development (HTML, CSS), MS Office, and basic video editing. Currently learning Django and improving coding, communication, and data analysis skills. Looking for opportunities to gain practical experience and grow through real-world projects.

Projects

1. Cafe Management System by using Python
2. Anime website by using HTML, CSS - [ANIME Hub!](#)
3. AI-Enabled Tourist Guide for Bihar (*Simplified College Project Version*)

Certifications

- Data Analytics Essentials – Cisco Networking Academy
Certificate of Course Completion | Student Level Credential
- Introduction to Generative AI – *Simplilearn*
- AI Tools and ChatGPT Workshop – be10x
Certificate of Completion awarded for successfully completing the workshop on AI tools and ChatGPT.

Extracurricular Activities

- Actively learning Full-Stack Development.
